

Cell towers everywhere, cell phones everywhere, children glued to video games, 5G rollout...

Tech Overuse and Addiction: What Can You Do?

Tues, October 30, 2018 • 7:30pm

Join us October 30 to find out from Leading Experts how you, your family and your community are affected—and what you can do about it.

Capacity is limited: RSVP early to rsvp@schoolofimages.com

This is a special FREE open public event organized by Manhattan Neighbors for Safer Telecommunications and the School of Images®.

Featuring Leading Experts:

Dr. Nicholas Kardaras, PhD, an internationally renowned expert in addiction rehab and recovery, as well as the nation's leading pioneer in tech addiction and digital detox. Author of the best-selling book, *Glow Kids: How Screen Addiction is Hijacking Our Kids—and How to Break the Trance*. **Featured video: Screen Addiction and Harm Occurring to Developing Children**

Dr. Martin Pall, PhD, Professor Emeritus, Washington State University. Leading expert on the biological and health effects of electromagnetic fields, including neurological/neuropsychiatric effects, and the little-known role the cell phone and wireless radio-frequency radiation is playing in tech, internet, video gaming and other addictions. **Featured video: Electromagnetic Field Exposures**

Camilla Rees, MBA, health researcher and educator; founder of Manhattan Neighbors for Safer Telecommunications, Electromagnetic Health.org and Campaign for Radiation Free Schools (Facebook); Senior Policy Advisor, National Institute for Science, Law & Public Policy, Washington, D.C.

Featured video: Talk at D.C. Rally Outside Supreme Court

Catherine Shainberg, PhD, is an international expert on Imagery and the creator of powerful new applications for ancient metasciences. Working on subconscious and extra-conscious levels through simple imaginal work, these methods produce transformation in any area. She is the author of *Kabbalah and the Power of Dreaming* and *Dream Birth*.

Featured video: Cultivating Children's Inner Intuition and Imagination

Tech Overuse and Addiction—What's Happening Biologically, Emotionally and Spiritually will introduce eye-opening science about cell phones, wireless tech, gaming and addiction. You will learn cutting edge methods to mitigate the unfolding electronic plague.

School of Images • 73 Fifth Avenue #8B • NY 10003

We will start promptly at 7:30pm

The presentation will run until 9:45pm, with refreshments afterwards until 10:30pm.
